

## **Michelle Justus, Senior Data Analyst**

Michelle Justus is the Senior Data Analyst for the State Health Alliance for Records Exchange, the statewide health information exchange. Ms. Justus directs the development and implementation of SHARE analytics. Currently SHARE analytics is offering 30-day readmission notifications and care coordination reporting.

Justus received her Bachelor's degree in Psychology from the University of Southern Mississippi followed by two Master's degrees from the University of Central Arkansas. She received her first masters in Counseling Psychology followed by a second in Family and Consumer Sciences with an emphasis in dietetics. Ms. Justus has been a registered and licensed dietitian since 2009. Her background includes thirteen years with the Arkansas Center for Health Improvement where she served as the Director of Disease Prevention Health Promotion and led the development, coordination and implementation of data and policy initiatives.
